Here's the updated comms plan and press release. I also accepted Lou's edits in the fact sheets and changed the file name to yesterday (when he sent them) for better version control.

That's the latest one I have, haven't updated it yet. Let me do that now. Will send momentarily!

Sam,
Do you have the updated version? This is the most current version I have but it needs to be updated with the final language from the release and Q&As. Did you already have a more current version?
Kelly

Hey Kelly,

Can you send me the final PFBS toxicity assessment comms plan? I have the press release and fact sheets separately, but it'd be great if I could have the final version of the whole comms plan.

Thanks!

Emily
